School Council meeting 09/03/2017 – 1.15pm

Present – Staff- Vicky, Kate, Maggie

Students- Emelia, Matthew, Riley, Joshua, Angie, Esther, Callum

Purpose of meeting

Comic Relief School Disco.

At the previous school meeting members decided that they wanted a school disco. We have linked this in with fundraising for Comic Relief.

The full school council was present at this meeting.

The meeting was to decide which songs we liked and if we wanted them played at the disco. All pupils sat around the interactive whiteboard whilst a range of songs were played on the screen. They listened to part of each song before being given the opportunity to communicate whether they liked/disliked each song. Once each pupil had 'voted' we totalled up how many likes/dislikes it had got to decide whether or not it would be played at the disco on March 24th.

Eleven songs were played in total, there was a mixture of likes/dislikes for each song within the group. Only one song got a unanimous yes vote that was Walk the Moon – Shut up & dance. The other songs to make the playlist are:

- Justin Timberlake – Can't stop the feeling
- Little Mix – Shout out to my ex
- Olly Murs – Dance with me
- Tony Christie – Amarillo
- Taylor Swift – Shake it off
- One Direction – What makes you beautiful

Songs that got are no vote were:

- Rag and bone man – Human
- Clean bandit – Rockabye
- Katy Perry – Chained to the rhythm
- Bruno Mars – Uptown Funk

Pupils have been asked to make posters using the pack provided to advertise the disco around school. The deadline for the posters to be made is Friday 17th March, this enables them to be displayed for a week prior to the event.
