

## School Council meeting 08/06/2017 – 1.30pm

Present – Staff- Vicky, Kate

Students- Luis, Callum, Joshua, Emelia

### Purpose of meeting

#### Planning of whole school picnic.

After deciding at the last meeting that members would like to 'have a picnic' it is now time to start planning!

Members were shown a short video clip of a picnic to enable them to get an idea of what sort of things that we will need. It was decided that the four main things are blankets, music, food and drink.

Vicky stated that she had 3/4 blankets at home that she could bring in, and that it would be a good idea to ask staff if they had got any we could use. As Callum has usually got at least one blanket with him at all times we asked if we borrow his, he wasn't very keen on the idea though!

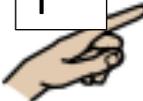

The next thing we discussed was food, what sandwiches should we have? Lots of fillings were discussed but no-one seemed keen on any in particular, in fact after further discussion it turns out no-one really likes sandwiches. So it was decided that the picnic would be at snack time rather than lunch time. Food for this was much easier to choose, there will be crisps, biscuits, cakes and of course chocolate buttons.

The time of the picnic will be from 10 – 10.30a.m located on the playground. If the great British summer isn't being kind to us that day members decided that they would like the dining hall to be an alternative venue rather than the gym.

Next meeting arranged for Thursday 22<sup>th</sup> June at 1.30pm to design posters to advertise the picnic and to choose what music we will be playing.
