### Purpose of meeting

#### To discuss recreational ideas for break time

A few new ideas were brought to the meeting following last week's discussion, although the ideas from last week also came up. Things like board games, cards and books were very popular. Some new ideas were as follows:

- Pens and paper
- TV
- Xbox
- Wii
- Football table
- Darts
- Ipads
- Miss Rolison's exercise class

Miss Price attended the meeting this week as she wanted ideas for her sports sessions and wondered what the students would like to do. I feel that she now has many ideas to work with!

Suggestions were:

- Tennis
- Water polo
- Bowling
- Dance
- Zumba
- Dodge ball
- Bench ball
- Basketball
- Obstacle course

The obstacle course brought on a new discussion, we thought that he it could be some sort of circuit training type of lesson so ideas for that were then discussed.

- Hula hooping
- Sit ups
- Skipping rope
- Exercise bike

- Stretching
- Weights
- Punchbag
- Balancing on a high wire

Some good ideas from the council!
