

School Council meeting 07/11/2017 – 9.15am

Present – Staff- Vicky, Carrie, Maggie, Lauren

Students- Matthew, Katie, Sam, Chloe, Darnell, Harry, Lauren

Purpose of meeting

Introduction to newly elected members

Students were introduced to each other and informed of their role on the school council. We looked at the application forms they had filled in to get on the school council and decided it would be good to share what we are good at and introduce ourselves to the school. Each member made a poster about themselves showing what they are good at. Vicky will make these posters into a display in the hall for everyone to see.

Meeting closed 9.40am
