### **RE : UPDATE - DEMOLITION OF PENNETT SCHOOL AT TILED HOUSE LANE**

Construction work has now commenced and is progressing well with the contractor Coleman & Company Ltd.

The contractor is currently accessing the school site via two sets of entrance gates along Tiled House Lane.

Access is required by the contractor through the double gates next to the Post 16 Unit entrance, as well as the double gates opposite the Newsagents.

May I kindly remind residents and users of the Post 16 Unit to keep these access gates clear at all times, as the contractor has experienced some difficulty with cars parking within the immediate vicinity of the gates which is making it difficult for large vehicles to enter and exit the site.

I would also like to take this opportunity to let you know that the historic weathervane positioned on the former school roof is shortly to be relocated to the Post 16 building where it will continue to be displayed.

Thank you for your patience in this matter.

Kind Regards

Luke Davies  
Project Manager
