

School Council meeting 05/12/2017 – 2.30pm

Present – Staff- Miss Appleton, Mrs Tolley, Miss Price, Mr Main

Students- Sean P, Danyal, Grace, Courtney W, Adam, Zafran, Callum

Purpose of meeting

To feedback following last week's meeting regarding end of term films/songs

Sean and Grace had written a list of suggestions which they brought to the meeting with them, these have been passed to Mrs Sparkes. We discussed and agreed that there were some brilliant suggestions for films however there weren't many song options. So I asked for a suggestion of each member as to the type of music that they like to listen to.

- Grace – Ed Sheran
- Courtney – Feed the World, Rocking Around the Christmas Tree, Frosty the Snowman
- Sean – Steps
- Adam – Cha Cha Slide, Red Red Wine, 5,6,7,8 (Steps)
- Zafran – Despacito
- Danyal & Callum agreed that Gold by Spandau Ballet was a favourite

Morgan is concerned that the minibus "needs a wash" I told him that I would discuss it during today's meeting. When asked how we could rectify the minibus situation Courtney said that we should put it "in the school shower" when it was decided that the minibus was too big to bring into school she suggested a hosepipe. Adam interjected at this point to say that the bus had to be washed at the Ridge Hill site. Grace stated that the bus could be washed "in the middle of the pavement in Kingswinford at the special petrol station". We next discussed when the minibus is at the Ridge Hill site to enable it to be washed, Zafran said it is there on a Wednesday, Adam said it was the Year 3's that went there for trampolining. As there is no more trampoline sessions until the New Year Zafran is going to negotiate with Paul as to a good time for the bus to be washed. Zafran volunteered to help clean the bus because he can "make it sparkling", he said that he would ask Adam, Thomas, Sean and Daniel to help him.

Next Mr Main wanted to discuss the idea of a reverse advent calendar, we talked about conventional advent calendars and everyone bar Zafran said that they had got one at home. Mr Main explained that instead of taking something out of the calendar we would be putting something in to create a donation for the food bank in Brierley Hill. Everyone was in agreement that this was a good idea as it would help people that maybe didn't have a lot to celebrate Christmas with this year.

The thinking point for this week to take back to classes is the reverse advent calendar idea. Each class to design a flyer to be sent home explaining what we are doing and to ask for any donations.

Meeting closed 2.52PM
