

School Council meeting 13/02/2018 – 9.15am

Present – Staff- Vicky, Lauren, Jenna, Cheryl

Students- Matthew, Emelia, Darnell, Chloe, Rhys, Sam

Purpose of meeting

To choose music for Fridays Valentine Disco

The students remembered they were helping to host a valentines disco for the whole school and their families. A poster was shown that we made in the previous meetings.

We talked about how the music needed to be different as it was for a valentine's disco not our usual one.

When asked what music we could play, Rhys said Little Mix – a couple of songs were played which Sam didn't like so he chose to go back to class as everyone else was quite taken with the choice. We then explored other bands that have made "love songs" We decided on music from Little Mix, One Direction, take that, JLS, Westlife, STEPS and S Club 7.

It was mentioned about some Disney films having nice love songs so we listened to a few and decided on

1. Lion King – can you feel the love tonight?
2. Frozen – Love is an open door
3. Tarzan - you'll be in my heart
4. Trolls – True Colours (not Disney)

With some music decided on, Vicky is going to make a playlist on the ipod to use on the day of the disco.
