

## School Council meeting 30/01/2018 – 2.30pm

Present – Staff- Miss Appleton, Mrs Tolley

Students- Sean P, Meghan, Danyal, Courtney W, Adam, Zafran, Matthew

### Purpose of meeting

#### School council display board

Meghan reported to the council members that Miss Rolinson and Miss Groves want the board that is currently the school council board to use as their physio board. She reported that they need it to show how well that we are doing. I asked members where they think that the display board should be moved to. Adam suggested by the sink in Chestnut room. Courtney stated that no one would be able to see it there, Danyal agreed that it wasn't a good place to move it to.

It was discussed that the board needs to be accessible so that students and staff can see what we have discussed etc. Adam then suggested that Willow room would be the best place as everyone uses that room. After looking around the room Zafran said that by the sofa would be ideal as there was enough space for the size board that we would need. Sean thought that Birch room would be a good place to move the board to but Meghan pointed out that not everyone goes into that room.

Adam offered to speak to Mr Smith to "sort it" and before everyone had returned to their form rooms at the end of the meeting Adam and Zafran had got Mr Smith and were showing him the display board and where we wanted it moved to. Adam has agreed to email Mr Smith to remind him that a new board needs to be ordered.

I asked the council members to discuss in their form groups what they would like to discuss at future meetings, I explained that they would rotate whose form would bring a discussion point to each meeting. Adam volunteered Maple to be the first class meaning that he would bring a point to be discussed at next week's meeting.
