

## **School Council meeting 27/02/2018 – 2.30pm**

Present – Staff- Miss Appleton, Mrs Tolley, Miss Price

Students- Sean P, Meghan, Danyal, Hamza, Courtney W, Adam, Zafran, Matthew

### **Purpose of meeting**

To respond to Mrs Hunters reply following the last meeting

I welcomed all of the members back following half term, they all stated that they had enjoyed their week off. I asked if anyone could remember what we had discussed at the previous meeting, Zafran said the display board. When we looked there is a new display board in Willow as requested, this will need to be backed and all information transferred over onto it.

When asked what else had been discussed at the meeting Adam correctly stated headphones. When questioned as to whether he had researched which ones would be good to purchase he said that he had forgotten! However Mr Pugh has purchased some to be tested, Adam and Zafran have volunteered to do this and feedback as to whether they will be suitable for use and if we should purchase some more of this type.

Mrs Hunter has asked the school council to decide where the headphones are to be stored when purchased. Zafran said the office would be a good place. Courtney agreed as they “won’t get lost” if they are in the office. Meghan thought that the laptop trolley might be an ideal place to store them. Adam went to get the trolley so that we could take a look to see if there was anywhere in there suitable. As there are only 10 laptops in the trolley there are four spare shelves that headphones could be stored in. After much discussion it was decided that the laptop trolley would be a better place to store the headphones rather than the office. This decision was made because it means that the office staff wouldn’t need to be disturbed each time the headphones were required, also it meant that the headphones would be with the laptops at all times and that they would be safe as “people can’t take them out cause you need a key”.

Mrs Hunter also wanted to know when the headphones should be used. There were a few different suggestions;

- Courtney – ICT
- Sean – Enterprise
- Matthew – Horticulture
- Adam – Eco School
- Meghan – Catering

We are looking forward to the headphone review from Adam and Zafran next week, and hopefully will be able to feedback to Mrs Hunter as to which headphones we would like to be purchased.

Meeting closed 2.52PM
