Individual Family Feedback:

- One parent stated The Transition was done very well and I was kept informed all of the way
- One family said the worker was amazing with the Transition and my son was adamant he was not going to college after leaving Post 16. He has made the right decision in now choosing college. He has also started football, youth club and swimming club. This was all down to the worker's research and hard work. Thank you!
- It was really helpful having the worker help me complete the application form
- I knew when all the open events were
