

School Council meeting 24/04/2018 – 9.10am

Present – Staff- Vicky, Sadyia, Sam, Cheryl

Students- Katie, Shahbaaz, Chloe, Darnell, Harry and Sarah

Purpose of meeting

1 – To choose what each of the classes will be doing for the upcoming Royal Wedding

2 – To answer questions about school so questions can be asked to potential new teachers

The group were split into 2. Katie, Darnell and Shahbaaz in group one and Harry, Chloe and Sarah in group two.

It was explained to group one that new teachers were coming to work at our school and the interview panel wanted some information from them about what they like/don't like at school and what they would to do more of or try. They could then ask the teachers questions in the interview about the results.

Katie and Shahbaaz worked together and answered the questions with a little bit of help. Shahbaaz was adamant he didn't like the farm but they were both interested in trying orienteering (after I explained what it was!!) Katie would like more parties/discos and singing!

Darnell had go at answering questions about what he liked but need to leave the group as it was all bit too exciting and different! Chloe and Sarah finished his questions off when they had completed their task.

Group 2 had the task of cutting up some symbols to put in a bag and randomly choose what each class would be doing for the upcoming royal wedding. Harry and Chloe helped to cut out and fold the symbols and the each had 2 turns at picking out an activity for classes. The choices were glued onto a chart and given to Joy so she could give classes more information on what they needed to do.

Meeting closed 9.30am
