

School Council meeting 15/10/2018 – 9.15am

Present – Staff- Vicky, Kate, Clare, Lynda

Students- Emelia, Esther, Logan, James, Chloe, Mollie, Rhys

Purpose of meeting

Introduction of new members and discuss what the school council will be doing this year

All members met in SLT office. Each member picked their own photo and then listened to sentences and they had to match the sentence to the picture of themselves (what they had written on application for School Council). They then shared what they were good at with the other members. We discussed 101 things to do at Pens Meadow and how the School Council will be making some of the more difficult activities available and accessible to all. This would probably take place on a Friday afternoon at least once every half term. Members then chose from a selection the first activity they would like to help organise, the majority chose balloons. Next half term (maybe Children in Need) there will be balloon play and the possibility of helium balloon (let of in the gym due to pollution and damage to nature!) Vicky will investigate!!

Meeting closed 9.40am
