This half term's topic is:
'Srumdiddliumptious'

Key Words

Festival, celebrate, party, food,
smell, taste, look, feel, hear

Visits Out

As well as our usual community visits we hope all classes will also enjoy a Christmas visit to somewhere appropriate. Blue Class will enjoy a

Science

We will be learning about our senses. Every week the pupils will be exploring at least one of their senses:-looking, listening, feeling, smelling and probably their favourite thing will tasting.

Humanities

We will be focussing on seasonal festivals – including bonfire night, Divali, Remembrance Sunday and working towards everyone's favourite—Christmas. Lessons will involve lots of following instructions to make things.

Technology/Art

Food Technology: We will be comparing and making festival foods—hopefully families will get to sample some of our hard work.

Art: We will be junk modelling, and looking at the shapes that make up a house, culminating in making a gingerbread house

PSHE

Our focus in PSHE is 'Keeping Healthy'. The pupils will practising basic hygiene routines. Hopefully by the end of term we'll have some very competent hand washers and teeth cleaners. We'll also be exploring the need for sleep—perhaps families might get a few lie-ins over Christmas?

Home learning

Practise being independent with personal hygiene routines and getting dressed

Follow instructions to make a Christmas decoration to hang on the family tree

In readiness for the hectic Christmas season, why not practise daily meditation or a daily advent yoga move—look at <https://www.scribd.com/document/114301745/Christmas-Yoga-Advent-Calendar-25-Days-of-Strength-Stretch-and-Happiness>

We are keen to hear about how pupils engage with each topic at home. Please feel free to send notes and photographs into school
