

School Council meeting 12/2/2019 – 9.15am

Present – Staff- Vicky, Sally, Becky

Students- Emelia, Jonathan, Logan, James, Chloe, Mollie

Purpose of meeting

Comic Relief

Meeting was held in food tech room. Resources laid out for members to see the posters and resources available to use for Comic relief this year. We discussed what comic relief was about and how it raises money for good causes. We also mentioned how it goes towards our 101 things to do at Pens Meadow – Take part in a fundraiser!!

Each student had a poster to colour/decorate and to choose which activities and events they would like to do this year. The members worked very hard at their posters and some of them thought we should go for it and do all the activities which included, a talent show, a bake sale, decorating biscuits, treasure hunt and a mufti day (wear red).

Posters will be displayed around school and next meeting will focus on what we need to get in order to make the day go ahead!

Meeting closed 9.45am
