At the entrance of Asda, Cornbow, Halesowen on Friday 15th March 2019

The event will run from 10am to 2pm each day.

A DMBC Representative Council said:

"It's great to see so many organisations across our borough coming together and getting out and about in our towns to raise awareness of these serious issues and I would encourage people to go along to them."

"The aim is to educate and inform, as well as to listen to people if they have concerns about any of the issues or signpost them to the appropriate support."

"We should not be afraid to talk about these difficult issues and awareness roadshows such as these are vital to help keep people safe."

Following the roadshow Barnardo's, Phase Trust and CHADD working collectively under the banner of NAVIGATE will be working with schools and partners to offer a range of information, advice, guidance and intervention for children at risk of or involved in CSE, CCE and county lines. The team will be in touch soon with further details.
