

## **School Council meeting 12/03/2019 – 9.15am**

Present – Staff- Vicky, Kate

Students- Emelia, Chloe, James, Logan, Mollie, Jonathan

### **Purpose of meeting**

#### **To make a shopping list of resources we need for Friday – Comic Relief**

We refreshed ourselves on the plan for Friday and looked at the posters we had made in the last meeting.

Each student made their own shopping list of what they needed for their biscuit decorating on Friday. Symbols were provided to give some help to the students. With support where necessary, students selected the items they wanted and the colour of the icing to go on the biscuits. Yellow class decided that they wanted lettuce on their biscuits as well as icing and sprinkles. Orange class chose some onion!! All members completed their shopping list and Vicky did the shopping the following day.

Comic Relief was a successful day with activities planned by the School Council. Well done everyone!!
