

School Council meeting 02/0/2019 – 2.30pm

Present – Staff- Miss Appleton, Mrs Tolley, Miss Price

Students- Callum, Kalbir, Riley, Elliot C, Morgan

Purpose of meeting

To discuss how to spend fundraising money

Following the sporting day fundraiser that the school council decided on and organised I was very happy to let them know that we had raised £137 for them to spend!

They were asked what kind of things that they would like to buy with the money that they had raised. There were many suggestions. These included:

- Magazines
- Counters and dice
- Playing cards
- Play dough
- Stacking cups
- Lego (Jurassic world)
- Books

Mrs Cartwright had also asked the school council if they could think about raising money for autism awareness and downs syndrome awareness. It was decided that as autism awareness is associated with the colour blue that students can wear a blue top on Monday the 8th of April or silly/odd socks for downs syndrome awareness.

I have advised student council members that I will look into purchasing requested items from the money that they have raised. I will also liaise with management regarding the autism/downs syndrome awareness day to see if this is a possibility.

Meeting closed 3.02pm
