Perhaps you'll be inspired to start your own new hobby! We will set up light traps in the Wildlife Meadow at Ashwood Nurseries on the previous evening and open them up for you on the lawn outside the Tea Room (opposite the Plant Sales House). Don't forget to bring your camera. Children are very welcome too: moths are a great way for children to interact with the natural world and surveying moths is a highly educational activity! Mike Williams from Butterfly Conservation West Midlands will be on hand to answer any moth or butterfly related questions you might have. Free event, just turn up.</p>	0	99
