

School Council meeting 23/09/2019 – 1.10pm

Present – Staff- Miss Appleton, Miss Groves

Students- Cameron, Katie B, Korben, Alex, Hamza, Matthew, Riley, Carter, Tom

Purpose of meeting

To discuss possible questions that students could ask Leon Baptiste when he visits

School council members were asked if they could recall their task from the previous meeting, Korben stated that it was about questions for the athlete. All members knew that it was Friday that he was visiting school. Miss Groves explained that he would be coming to see them after lunch and that he would talk to them before they participated in some activities.

All members said that they had some ideas of questions that could be asked so they each in turn told the group their question. The questions were as follows;

- What sport do you do?
- How many medals have you won?
- What is your favourite sport?
- Do you love boxing?
- What is your favourite football team?
- How far do you run?
- What sort of exercise do you do?
- How fast can you run?
- What music do you like?
- Can we have a race?

I congratulated the council members for thinking of such brilliant questions and explained that I would feedback to Mrs Freeman as she has co-ordinated Fridays visit.

I explained that their task next week would be to elect members to the Ridge Hill school council. I stated that there would be forms to look through from each class and that they would need to decide who they thought should represent each class.

Meeting closed 1.25pm
