

Provision Newsletter

This term's theme is:

This is Me

Key Words

Core words and phrases: to like, to want, to choose, How are you?, help, friend, take turns, fire, happy, sad, hot, calm, plastic, metal, fabric, wood

Community Engagement

Due to the current restrictions pupils will only be accessing outdoor provision, we'll be visiting local parks and going for Autumnal walks.

Pupils from Pink and Purple Classes will enjoy a weekly visit to Forest School, using the outdoor classroom when it is very cold.

Physical Development

In our PE lessons this half term, we will be learning to use different parts of our body to follow a sequence of movements.

Green and Purple classes will be able to enjoy regular rebound therapy sessions using the trampoline at our Pensnett site.

Unfortunately swimming and Hydro sessions have been suspended at the moment, but we will use this time to continue to work towards Physio targets and some pupils will access the splashpool.

Expressive Arts

We will be focussing on Music this half term, exploring new instruments, and continuing to enjoy weekly sessions with Del.

In ICT, we will be exploring apps to make marks using the iPads.

Understanding the World

In Science, we will be sorting materials such as plastic, wood, metal and fabric.

In our History lessons, we will be learning about The Great Fire of London through sensory activities.

We will be experiencing festivals and celebrations in our RE lessons.

PSED

In PSED, our focus will be focussing on our health and well-being: learning about exercise and how it affects our body. We will also be finding out about healthy foods and exploring our feelings and how we can enjoy being calm and relaxed.

Parental Engagement pm5tothrive

There are lots of opportunities to celebrate at this time of year: Diwali, Movember, Hanukkah and Christmas.

Please send in photos or examples of craft activities your child has made to celebrate special days.
