Audience: Income Eligible Free School Meal Parents

Date: 04/05/2021

Information:

As you are in receipt of free school meals your child/ children will be eligible to access fun activities in the summer holidays at no cost to you. The sessions will include a healthy meal and a variety of exciting activities and sports.

Let's just check a few things before we go any further.

Is my child eligible?

- Are you resident in Dudley Borough?
- Is your child/children age 5 – 16 years old?
- Do your child/children receive free school meals because you are on a low income, or your school have referred you?

If you answer yes to all three questions, we cannot wait to receive your registration!

Registration is now open! <https://holidayactivitiesindudley.com/register-your-child/>

You can now register your child/children to secure a place for them in the HAF summer activities. It would be great if you could register as soon as possible as it is an opportunity for you to tell us about the things your child/children love to do so we can try to ensure that there are as many engaging, fun activities that suit your family's wants and needs. Registration will stay open until the 31st May 2021.

If your child is not registered, they won't be able to take part, and we really don't want them to miss out. If you are having trouble registering then either contact your school who may be able to help or get in touch with the team via the [contact us](#) section of the website.

Why do I need to register? We really want to know what your child thinks is a fun activity so we can all plan for them and their friends. We are using a central registration process to make it easier for you to book your child onto activities. Once registered you will receive an email that gives each child a unique reference number which you will need to use to book activities. It will also help us to keep in touch with you regularly so you don't miss anything!

Once you have registered your child we will only share your child's personal information with the providers who deliver activities as part of this programme, and only for the purpose of delivering the programme.

When can I book activities? On the 1st June to 31st June 2021 booking the programme activities will be open. You will receive a unique HAF code that enables you to book a maximum of 16 sessions of activities per eligible child throughout the summer holidays. This is a unique code to be used for your child(ren) only. Codes will be monitored by activity providers. Sessions are allocated on a first come, first serve basis.

Keep in Touch! At the top of this page we have shared a number of social media platforms (Facebook, Twitter and Instagram) for you to stay connected so please do give us a follow, like and share! We also have the website with a page for parents to keep you informed and up to date. Perhaps have a look at what we got up to at Easter.

We are excited to be planning with your help a summer of fun activities for your family

The HAF team
