Each child can attend up to 16 sessions, when you come to book it will tell you how many sessions each activity is. Every week we will be adding more and more activities that your child(ren) can take part in, so keep coming back to the website and our Facebook page to find out more! If your child is not registered, they won't be able to take part, and we really don't want them to miss out, so the sooner it's done the better. If you are having trouble registering then either contact your school who may be able to help or get in touch with the team via the [contact us](#) section of the website.
