

# Provision Newsletter

This term's theme is:

## My 5 Senses

### Key Words

Hear, listen, eat, teeth, mouth, friend, play, kind, share, make,

### Community Engagement

Pupils will have opportunities to take part in community visits to enhance what they have learned in class.

This term, pupils in Green class will benefit from a weekly visit to Forest school

### Understanding the World

We will be exploring our sense of hearing through a range of practical Science experiments. We will also learn about teeth and mouth care.

In our Geography lessons, we will learn about the job roles of people who help us in school.

The new school year is a great time to focus on our RE focus for this term: making friends.

### Physical Development

In our weekly PE sessions, pupils will start off the school year by practicing a range of movement skills.

Pupils will be able to use the trampoline to practise their skills and improve strength and stamina.

Swimming at the Crystal and Hydrotherapy will take place on Wednesdays for groups of pupils.

### Expressive Arts

In our Food Technology and Design Technology sessions, we will make a range of foods and design packaging for them.

Some pupils will have Music with Del on Friday mornings, which is always an enjoyable end to the week!

In ICT, we will explore technology, including the internet and will learn about online safety.

### PSED

In PSED, we will reinforce our RE work by thinking about what makes a good friend. We will share experiences with our peers and develop our 'social skills'

### Parental Engagement &pm5tothrive

Play a game with an adult or share a toy with a friend.

Play listening games at home – does your child have a favourite song or TV theme tune?

Remember to send in photos to share with friends at school.
