About Our School

Pens Meadow is a Special School which caters for pupils from the ages of three to nineteen. All pupils have an Education Health Care plan with a primary need of severe learning difficulties (SLD) or profound and multiple learning difficulties (PMLD). Some pupils also have autism and the school is organised in a way which enables staff to meet the needs of pupils effectively. Pens Meadow has a dual site with our early years, primary and secondary aged pupils based at Ridge Hill and our post 14 young people based at Pensnett.

Our Mission, Vision and Values

We aim to work in partnership with all our stakeholders to create an environment where pupils with severe and profound learning difficulties are supported to achieve their full potential. We enable our pupils to be active participants in school, at home and in the wider community. Our success is demonstrated by the results of our Living, Growing, Learning ethos that relates to all pupils and staff.

Living

Our encouragement will stimulate full engagement in school life
We will ensure that partnerships with all stakeholders help us to achieve our goals

Growing

We will develop confident and valued members of our community
Our pastoral care, guidance and support will be recognised as outstanding

Learning

We will deliver personalised provision for all our learners within a total communication environment
All our pupils and staff will have high expectations for themselves and others

Code of Conduct

I will always try my best...
To understand that everyone is different but we are all equal
To communicate in my own way and have my choices valued
To control my actions
To look after my school and take pride in my community
To work hard and allow others to do the same
To take time to listen and understand

Pens Meadow Code of Conduct

At Pens Meadow we work hard to ensure that all of our pupils have the opportunity to learn in a positive environment. This includes encouraging all of our young people to follow our school code of conduct, which applies to pupils and adults alike.

All staff are required to act in accordance with our school mission vision and values.

This means that at Pens Meadow, we expect all staff to work in a professional manner, placing the pupils' best interests, dignity and wellbeing at the centre of the work we do.

Staff should ensure that all information regarding pupils' and their families is treated in a confidential manner and not discussed openly in classrooms and corridors.

No conversations or actions should take place that could be interpreted as unprofessional, or which could cause offence to others.

If **any member of staff** observes, or hears anything which they believe falls short of professional standards, it is your responsibility, wherever possible, to challenge this directly.

If direct challenge is not appropriate immediately, it is your responsibility to follow this up as soon as possible after the event. If you wish to, please seek advice or support from a senior member of staff. In most instances, situations can be resolved informally, between the concerned staff, with support if required.

We will follow appropriate school policies and procedures, if this approach does not resolve issues.

It is everyone's responsibility to make the headteacher aware if an adult working in or on behalf of the school may have acted in a way that:
is inconsistent with the staff code of conduct, including inappropriate conduct outside of work; and

does not meet the allegations threshold or is otherwise not considered serious enough to consider a referral to the LADO

The Safeguarding Policy outlines actions that may be taken in such a situation, based on statutory guidance from Keeping Children Safe in Education 2021. This enables the school to maintain the culture of openness, trust and transparency, keeping our pupils and students' safety and wellbeing a paramount consideration.

Safeguarding

Safeguarding is the responsibility of everyone who comes into contact with pupils at Pens Meadow School. Staff are particularly well placed to observe outward signs of abuse, changes in children's behaviour or their failure to develop. We need, therefore 'to be alert to the possibility of abuse occurring, aware of the procedures to be followed and have the confidence to follow those procedures'.

Should you have any concerns about the pupils that you are working with then please see the schools Designated Lead Person for Safeguarding

At Pens Meadow the Designated Lead Person is Michal Pawlowicz. The Deputy DSL's are Marie Hunter and Alison Austin. The nominated governor is Paul Leyshon.

All contracted staff will receive regular Safeguarding updates.

Please refer to the schools Safeguarding policy for more information.

Pupil Medication and Illness

Many of the pupils at Pens Meadow School have complex medical needs. These pupils are supported by our School Nursing team. We also employ staff with responsibility for meeting health needs in classes where this is needed. All pupils have a Health Care Plan and staff must ensure that they are familiar with the details contained within these. Please refer to the 'Administration of Medication' policy for more information. There are specific guidelines for managing medication which must be followed.

Intimate Care

All pupils have an intimate care plan.

Pupils are entitled to respect and privacy at all times and especially when in a state of undress, changing clothes, bathing or undertaking any form of personal care. There are occasions where there will be need for an appropriate level of supervision in order to safeguard pupils and/or satisfy health and safety considerations, for example when hoisting or showering. This supervision should be appropriate to the needs and age of the pupil concerned and sensitive to the potential for embarrassment. **Intimate care routines should only be carried out by persons in paid employment.**

Confidentiality and Safeguarding

Pens Meadow School is committed to safeguarding and promoting the welfare of all pupils both within the school environment and outside.

Confidentiality and Data Protection—In order to undertake responsibilities effectively staff will have access to confidential information about pupils. In some circumstances staff may be given highly sensitive or private information about pupils or their families. This must never be used casually in conversation or shared with any person other than on a need-to-know basis. If a member of staff is in any doubt about whether to share information or keep it confidential they should seek guidance from a senior member of staff immediately.

Photography and Videoing—Photographs and videos play a very beneficial part in school and enable classes to record achievement and demonstrate progress. Pens Meadow School always requests permission from parents and a database is kept highlighting pupils for whom we do not have such permissions. Please ensure you are aware of the pupils within the class who are not allowed to have photographs or videos taken. Any such photographs or videos **must not** be used for personal purposes. **Under no circumstances must personal mobile telephones be used to take photographs or videos. Photographs must be downloaded from school cameras/IPads daily and then deleted from the device.**

Personal Mobile Telephones—Pens Meadow is a mobile technology free zone. Personal mobile telephones must not be used by staff or visitors in classrooms or areas within school accessed by pupils. They must only be used during designated break/lunch times.

Social Media/Networking—All staff should ensure that the use of social networking:

- Does not bring the school into disrepute
- Does not bring the teacher into disrepute
- Does not expose the school to legal liability
- Reflects 'safer Internet' practices

- Minimises risks associated with the personal use of social media

- Reflects the school's standard of behaviour and staff code of conduct

Please refer to the schools Online Safety/Social Media Policy for more information.

In the event of an accident, where appropriate, immediate first aid assistance should be sought from either the School Nurse or any qualified First Aider. A list of First Aiders and first aid kits can be found at various points around school.

The Head teacher or Deputy Head teacher should also be informed of any accident which has taken place, as soon as possible after the event.

Birch, Oak Year 10— Year 13 Registration Groups
Maple Year 14 Registration Group

It is important that all members of staff familiarise themselves with the class timetables and rotas for that day. It is also necessary that you see the lesson planning to ensure that you are clear about the learning objectives; outcomes for pupils; and what will be expected.

Pupil Overview

All pupils at Pens Meadow School have a clipboard containing personal information. This includes an '**All About Me**' document. This contains information regarding communication, mobility, medical needs, sensory issues, eating and drinking issues and at times, behaviour.

Where behaviour support is needed, pupils will also have **Behaviour Support Strategies (BSS)**. A BSS will clearly document potential triggers for behaviour and the expected response from staff. At Pens Meadow we do not use physical restraint to support behaviour. CALM (Communicate, Acknowledge, Listen, Monitor) rooms or other forms of seclusion are used in agreement with parents and supporting agencies and only when a pupil's behaviour represents **a risk of significant harm**. This is clearly documented on the BSS and all time spent in seclusion is detailed and shared with SLT and parents.

You must ensure that you read these documents thoroughly and ask any questions about aspects that you are unsure of.

Our Provision

Pens Meadow School offers a broad, relevant and motivating provision for all our pupils. The outcomes from Education, Health and Care Plans lie at the heart of everything we do. Our clear curriculum vision, which focuses on mental health wellbeing, complements the holistic development for all pupils.

As our pupils work at development levels ranging from early years to Entry Level 2, their learning is personalised to their needs in order to prepare them to become as independent as they possibly can be.

Each pupils at Pens Meadow School has an Individual Education Plan. Targets are set and reviewed every term in order to monitor pupils' progress towards their EHCP outcomes. The curriculum is tailored to their educational needs and it evolves from appropriate Schemes of Work. At Pens Meadow School we call them Programmes of Learning.

A great emphasis is placed upon the development of social and communication needs through our Total Communication approach.

A robust and contextualised curriculum allows pupils to develop core skills in English and Maths. Computing skills play an integral role in this. Each pupil has an opportunity to put learning into practice from the very early stage.

Our provision is enhanced by regular and tailored educational visits, classroom visitors and whole school assemblies.

Pupils' progress in Reception is assessed using Pens Meadow Differentiated Early Years Outcomes. In Key stage 1 to Key Stage 3 pupils work towards DAPA – S Levels. Individual targets are based on their previous attainment and are set every year.

Pupils in Key Stages 4 and 5 have the opportunity to accredit their learning through ASDAN Transition Challenge, OCR Life and Living courses and finally Aim Vocational Awards.

Students accessing the Pensnett site provision at Pens Meadow School begin their journey with us with a wide and varied educational background. Some students will have started their school life at Pens Meadow, whilst others will be joining us from other local providers.

The majority of students at Pensnett work at pre-entry and entry levels on arrival and our aim during the time students spend with us is to equip them with the skills and experiences they need in preparation for the next stage in their adult life.

This provision consists of three days of core skills development and two focusing on preparation for work as well as leisure opportunities. This provides them with access to work experience and taking part in innovative challenges.

The provision at Pens Meadow School prepares all learners in every stage to become real independent citizens.

Communication, Interaction and Learning

The development of communication skills for all learners at Pens Meadow is an integral part of the curriculum. The school operates a 'Total Communication' environment and this incorporates a range of communication strategies.

All staff must wear their communication lanyard at all times. Where this is not practical at certain times, please discuss alternatives with one of our communication HLTA's.

Adults working with pupils should be aware of the pupils preferred method of communication, ensure that it is accessible and that regular opportunities are provided for pupils to communicate and interact.

A booklet outlining each of the communication strategies can be found in each classroom.

Many of our pupils benefit from the use of simple, clear language and extra processing time. Be patient and give them sufficient time to complete a task. Please do not complete pupils work for them but support them in accessing their own learning.

Educational Visits

At Pens Meadow we value the contribution that educational visits can make to a pupils learning experience. All classes take part in regular community visits. This gives pupils the opportunity to develop their social and communication skills in a variety of settings. Pupils also take part in curriculum visits alongside other visits such as soft play and swimming.

When planning a visit staff must ensure that they address the following:

- Parental permission should be gained for any non community visits
- Staff involved with the visit must adhere to the guidance in the Educational Visits Policy
- A generic class community visit risk assessment is completed at the beginning of each academic year by the teacher responsible for the group. Any additional visits need a separate risk assessment. These are completed through the on line 'evolve' system
- A 'visit out risk assessment' form needs to be completed for each visit. Staff should ensure that they have adequate capacity on allocated transport and adequate staffing to meet safety requirements. A copy of this form can be found at T:\Staff\VISITS OUT FORMS. All forms need to be signed by all staff undertaking the visit and countersigned by a member of SLT. This must then be pinned to the board in / by the office.
- Each minibus is allocated a school mobile phone and parking pass. Staff must ensure that they collect these and return them at the end of the visit. The driver must sign for these and ensure they are returned to the office.

Risk Assessments

Risk assessments enable members of staff to make a judgement of the associated risks attached to pupils, environments and activities. No activity is free from risk, be it risk of injury or risk of financial loss. The process of assessing risks aims to reduce these risks as far as reasonably practicable. It is prudent to produce risk assessments collaboratively, so that a checking process is in place. Once a risk assessment has been carried out, staff must read, understand and follow it before carrying out an activity or accessing a location. This is part of their duty of care.

At Pens Meadow School various types of risk assessment are carried out and monitored. All classes have a risk assessment folder containing these documents.

School based risk assessments

Pens Meadow has three main categories of school based risk assessments, pupil specific, behaviour specific and location specific. Pupil specific risk assessments are completed for pupils based on individual needs, e.g. moving and handling, visually or hearing impaired, and ASD. Behaviour specific relate to potential challenging behaviours that pose a risk of injury to self or others. Location specific relate to the different areas and environments around school.

Evolve

This provides a simple risk assessment framework, for all who wish to teach outside of the classroom environment. This tool is used in conjunction with IEP and BSS assessments for individual students.

No visit is undertaken without completing a specific risk assessment.

Safer People Moving and Handling

In order to minimise the risk when moving and handling pupils, Pens Meadow School trains and follows the principles of 'ROSPA Safer People Moving and Handling'. This includes the safe lifting of pupils and the use of hoists. Staff must ensure that they are dressed appropriately for when carrying out any moving and handling duties including appropriate foot wear.

Staff Communication

Morning Briefing

Briefing is held at 8.30am at Ridge Hill and 8.45am at Pensnett on a Monday and Friday morning in the dining hall. Staff who are unable to attend briefing must read the briefing notes at the earliest possible opportunity and sign to say they have been read. These are stored in the staffroom. Staff may access the school diary at any other time. This can be found in reception.

Pigeon Holes

All permanent staff have a pigeon hole in the staffroom. Please check this frequently for any correspondence.

Email

Information is often sent via school email. Please check your school email account frequently.

Communication with Parents

All pupils have a nominated keyworker. This is a member of the class team and is the person responsible for maintaining contact with parents and other agencies.

Face to Face

We consider links with parents to be a vital part of the work that we do at Pens Meadow. We operate an open door policy and this is supported by our Family Outreach Team. Any face to face conversations are recorded on CPOMS.

Home to School Diaries

All pupils have a home to school diary. These will be completed by class staff in accordance with guidance. We encourage parents to communicate regularly through the diary.

Telephone Conversations

At times, staff may choose to telephone parents to discuss particular issues or concerns. Likewise, parents may choose to telephone school. Any telephone conversation must be recorded on CPOMS.

Pupil Discussions—Progress and Achievement

Parents Evening

Parents have the opportunity to meet formally with their child's teacher and class team twice per academic year. These meetings are run in Autumn and Spring Terms.

Annual Reviews / Reviews of EHCPs

Annual reviews are held once per academic year. During the review, the appropriateness of the current provision and placement will be discussed. The class teacher (or keyworker) will highlight particular targets and discuss any behaviour strategies employed. Parents and other professionals involved will be invited to contribute a report and /or make comment.

Team Around the Child (TAC)

TAC meetings are held weekly for each phase. These meetings give class teams the opportunity to share any information or concerns they have about particular pupils and to devise strategies to overcome them. They are chaired by the Strategic Lead for Family Support

Personal Education Plan (PEP)

All Children Looked After (CLA) who attend Pens Meadow have a Personal Education Plan. These are reviewed termly.

Individual Education Plans (IEP's)

IEP targets are set for each pupil within school. These targets address a pupils 'barriers to learning' and offer strategies on how class teams can support a pupil in overcoming them. They are derived from EHCP outcomes and are set and reviewed termly, or when achieved if this is sooner.

Annual Reports

All pupils receive an annual school report in the summer term. This report documents a pupils experience and progress within each area of learning including progress towards EHCP outcomes.
