## Dudley HAF | TryBooking

Winter HAF is open! We hope everything goes ahead but if Covid-19 restrictions or deliveries affect activities the HAF team have the right to cancel. Choos

[www.trybooking.com](http://www.trybooking.com)

We have worked hard to make your winter wishes come true and have organised some really lovely activities for you, your children, and young people to attend! Not all your wishes have been granted as unfortunately some summer providers have not been able to take part in Winter HAF.

We are really excited about making your winter holiday feel special and have some activities that will start the festive season off with a bang, these include winter parties, family meals out, family cooking, SEND activities, Pantomimes, Breakfast with Mrs Clause, growing kits, karting and more...

You will have heard on the news that there is a rise in Covid 19 cases and disruption to food and parcel deliveries. We will do our best to make sure everything that is advertised goes ahead but do be aware that if Covid-19 restrictions or deliveries affect activities that the HAF planning team have the right to cancel.

In line with Government Guidance please choose up to 2 activities per child. (Some activities are just one session others are multiple but count as one activity) . Once again, we aim to provide what you have booked, however we have 5000 children taking part and as there may be disruption we will ensure everyone has at least 1 activity that they have booked.

We are unable to offer compensation or alternative activities if this happens as HAF is an offer not an entitlement. Fingers crossed you will get all your chosen activities and we thank you for your patience and understanding.

As always booking is first come first served so be quick! Booking closes on Monday the 6<sup>th</sup> of December, shortly after this date we will email you to confirm your activities and all the details you need.

Finally, we just want to say we are really looking forward to seeing you all again and we cannot wait to see all your photos on our social media sites!

Many Thanks the HAF Team
