Can we take this opportunity to firstly thank parents for all their support, wonderful photos and brilliant feedback! 70% of parents told us that HAF had made lots of difference to them this summer and the feedback from the children and young people has been overwhelmingly positive with the majority saying (over 70%) that they had definitely learned new skills, made new friends, had loads of fun and want to do it all again next summer!

**Important Information: There is no HAF provision or activity for October Half Term.**

**Winter HAF** we are planning lots of winter fun and frolics for when schools break up for the Winter break.

**Already Registered?** If you have registered your child(ren) for HAF already the good thing is you do not have to do anything! Do nothing but wait for an email from us that you will receive on the 15<sup>th</sup> November 2021! Please check your email and spam on the 15<sup>th</sup> November and get in touch if you do not receive anything.

**Not Yet Registered?** If you are in receipt of income eligible free school meals because you are a low income family, have children aged between 5 and 16 and you have not previously registered or taken part in HAF activities you will have two weeks to register your child. Registrations will open on Monday 1<sup>st</sup> November 2021 via our website <https://holidayactivitiesindudley.com/register-your-child/> and close on Sunday 14<sup>th</sup> November. This date will not be extended.

We will of course get in touch after half term to keep you fully informed you can also follow us on our social media platforms (above) to keep up to date.

We have of course listened to your wishes and are working hard with our providers to ensure HAF helps make this winter magical for families. A few of your suggestion are listed below

- |  |   |
|--|---|
| Reindeer feeding, making reindeer food,                | making wildlife food (bird feeders)                         |
| Design and fashion activities. Highlighting recycling? | Handmade gifts.   |
| Community tree - adding handmade decorations.          | Go karting  |
| Hot chocolate and cosy cookie making day in pyjamas    | Glass blowing but small group for autistic teen.            |
| Pottery and clay work                                  | Children cook their own pre mini Christmas dinners/puddings |
| Breakfast with Santa, visited to Santa's work shop     | Meal clubs where we can take them out for a meal.           |

**Have a lovely Half Term break. Please share this information widely with other income eligible free school meal parents as soon as possible**
