Sports Premium Report

MAY 2022

Staff Responsible: Marie Hunter

Vision

ALL pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.

Objective: To achieve self-sustaining improvement in the quality of PE and sport in primary schools against 5 key indicators:

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

Grant / Eligible Pupils

£16,430	September 2020 – July 2021	42 primary pupils
£17,485	September 2021 – July 2022	54 primary pupils

Due to the disruption caused by Covid 19, money not spent can be rolled forward: we will purchase additional swimming and hydrotherapy when possible

Key Objective School Objective Cost	Actions to Achieve Objective	Impact for Pupils	Next Steps Sustainability
<p>KO 2</p> <p>To timetable school sports HLTA to deliver high quality PE to primary pupils engaging pupils in a rolling programme of activities and giving value to the experience</p> <p>£4500 Weekly teaching, planning, preparation and assessment time</p>	<p>Weekly sessions for all primary pupils to access a range of active opportunities and develop skills. Quality and range of opportunities monitored internally by DHT through regular meetings with HLTA. HLTA evaluations will inform impact Summer 2020: Covid lockdown time utilised to devise programmes of learning; 'pols' for PE in line with all other subjects</p>	<p>Weekly meetings in school; team around the child and BfLL (Behaviour for Life and Learning) to identify vulnerable pupils. Team decision whether to involve Family Support Team (FST), school nurse, or early help LA teams. Monthly analysis of all pupil information supports decision Caseload discussed half termly with DHT and SLIFS. Recording on CPOMS used by SLT to monitor and inform future actions</p>	<p>CPOMS well established and used effectively to support seamless communication with families and liaison with all agencies.</p> <p>Flexibility of role utilised to full effect during Covid 19, including delivery of breakfast, other provisions and home learning packs to families at home.</p> <p>Family feedback that support is invaluable</p>

<p>KO 1</p> <p>To enable all primary pupils to access swimming at a community swimming pool if appropriate for at least half a term at no cost to parents</p> <p>£1550 (plus use of school minibus) pa</p> <p>To enable PMLD / ASD pupils to access swimming / hydrotherapy sessions</p> <p>£210 per session (hire of pool, transport, staffing built into timetable) 30 x sessions = £6300 pa</p>	<p>Appropriate groups of pupils identified by class staff</p> <p>Weekly swimming session at Crystal Leisure Centre and Haden Hill. School splash pool used when not swimming.</p> <p>Swimming lessons delivered by swimming teacher with support from school staff</p> <p>Identify pupils who will benefit; book block sessions each term, evidence impact, Book transport and staff to support</p>	<p>Swimming is organised across whole school; hydrotherapy, shallow lengths pools; deep lengths pool, school splash pool.</p> <p>Pupils are grouped to ensure they are placed appropriately to meet EHCP outcomes.</p> <p>Staff review this on a weekly basis to ensure maximum impact for pupils. Evidence supports this approach as there are wider benefits including accessing different environments with different peer groups Parents are also able to attend hydrotherapy, enabling them to have positive experiences with their children in a safe and supported setting</p>	<p>Greater range of support staff employed to support this and other physical opportunities i.e. special needs support staff. This impacts positively on pupil outcomes. We are considering small financial contribution from parents</p>
<p>Year 6 cohort</p> <p>To meet requirement to swim 25 metres, Use a range of strokes effectively and perform safe self rescue.</p>	<p>Number of pupils in Y6 small each year; provision as below</p> <p>PMLD pupils access hydrotherapy pupils with ASD accesses hydrotherapy to support overcoming fear of water pupils with SLD / ASD access lessons at local leisure centre.</p>	<p>The pupils all access water based activities regularly and have had increased opportunities. Confidence in water has also increased, however the pupils are not meeting the Y6 requirements</p>	<p>Ensure all primary pupils have opportunities to experience swimming.</p>
<p>KO4</p> <p>To have regular access to forest school provision to enhance curriculum delivery and enrich pupil experiences</p> <p>£2000 to train 2 x L2 Forest School Practitioners</p>	<p>Resource provision to meet primary pupil needs Plan for all primary pupils to access forest school provision one afternoon per week throughout year on rota basis; staff accordingly and ensure minibus availability</p>	<p>Greater staff experience of forest school provision enables groups to be determined by outcome so increase impact of sessions. Additional HLTA appointed Spring 2021 with Primary Responsibility</p>	<p>Larger staff team of forest school practitioners gives resilience. Several members of staff team have expressed willingness to train further; governors are in support of this.</p>
<p>To ensure pupils have regular, quality physical activity opportunities and improve communication</p> <p>Cost: to be identified @ £3000 available</p>	<p>Train additional staff to teach trampolining in addition to rebounding to enable progression for physically able pupils</p>	<p>All new pupils in primary assessed on winstrada by Dec each year</p> <p>Trampoline on both sites enables greater opportunities for all primary pupils, therefore greater progress</p>	<p>Larger staff team gives resilience. HLTA for Sport appointed with responsibility for primary</p>
