Summer Term first half

Maple and Birch

English English will be based on the book 'Max Against Extinction' by Tim Allman. Pupils will be focusing on letter writing while also exploring the environment by looking at the importance of green spaces.
Maths The focus for maths this half term will be money and number skills.
Catering Students will be working towards planning and putting on a summer picnic, including developing a menu and designing the format of the event.
Horticulture Pupils will be completing their OCR accreditation by developing and enterprise project.
Art Students will be focusing on fashion for this half term where they will design a cap or a 'T' shirt working towards a fashion show which will take place in school towards the end of term as part of the exhibition.
Computing – Passports Pupils will be continuing with their communication passports and presentations. They will be completing these with key information about themselves ready for their next transition.
RSE Students will be focusing on sexual reproduction looking at different aspects of this, so they are informed and able to explore different relationships.
Creative Arts Students will develop their creative skills on Friday's through music where the focus is Peter and the Wolf, art where pupils will be making bread sculptures or dancing.
Work Related Learning The outdoor pupil groups will change this term. Our young people will continue to work on projects at the farm, Hawbush Community Gardens and at the activity centre in Baggeridge. School based groups will be making items to sell at the leavers events and creating personalised items for the leavers to take with them.
Preparation for Adulthood Students will be changing groups for this half term to complete different aspects of the Pens Meadow challenge including a group going swimming, catering and community engagement.
