

English

Julia Donaldson • Nick Sharratt

This half term we are reading 'Animal Noises' by Thomas Flintham' and 'Animal Music' by Julia Donaldson. We will explore each text through sensory activities.

Our Author of the Month for February is Fiona Wyatt and for March is Jez Alborough. Please see our reading newsletter for more information Our Little Wandle phonics lessons will continue 4 days a week and your child will continue to develop their listening skills through games, songs, rhymes and sensory massage.

Physio

All pupils with a Physio programme will continue to follow these each week. Rebound sessions will take place throughout the week and will provide a combination of building strength, co-ordination, and relaxation. Some pupils will take part in Hydrotherapy sessions on Wednesday mornings.

Computing

This term in our Computing lessons some pupils will practise programming while others will explore a sound app called 'patatap'

Maths

In Maths this half term we will continue explore early counting and number skills through sensory interactive activities. We will also be learning about fractions: full, half full, empty.

PSHE

This half term, some of us will be thinking about 'Who to trust' and others will be sharing our likes and dislikes.

Art and Design

In Art this half term we will be learning about the work of artist Vincent Van Gogh, particularly 'Starry Night'.

Science

In Science, some pupils will be learning about similarities and differences in animals. Some pupils will experience space themed activities.

Forest School

Our focus this half term will be 'colours of nature'. We will experience colours of animals and plants found in the forest.

Food Technology

Our focus is noisy foods: crispy, crunchy, snap, crackle and pop!

Music

Del from Dudley Performing Arts will continue to visit each Friday – we look forward to familiar and new songs.

RE

For RE this half term we will be learning about special objects, including things that mean a lot to us at home and school.
