

<p>English</p> <p>This terms focus will be on the story 'The nature girls'. We will be using a variety of sensory based activities including the use of a story massage to allow pupils to gain some understanding, through their senses, of the text and different vocabulary.</p> 	<p>Maths</p> <p>This terms topic is calculation. We will be counting along to different counting songs, continually experiencing the use of a number line and objects related to the songs. We will be doing sensory activities to experience objects related to the songs and count along.</p>	<p>Physio</p> <p>Pupils continue to follow their physio programmes, throughout the week, to develop their physical health and wellbeing based on the advice provided by both internal and external professionals as identified on their individual plans.</p>
<p>Pens Meadow Challenge</p> <p>Pupils will be working toward Pens Meadow Challenge targets through a variety of experiences that will enrich them and help them develop skills for the wider world. Pupils will be going out into different community settings to give them the opportunity to fulfil experiences in the wider community.</p>	<p>Curriculum Newsletter Autumn Term 1 2024 Holistic</p> 	<p>Horticulture</p> <p>In Horticulture the topic that we will be delving into this term will be 'wildlife matters'. We will be experiencing environments to where we find wildlife and using our craft skills to create homes to keep the wildlife safe. We will be taking part in many sensory activities that will allow us to further develop our experiences and knowledge of wildlife.</p>
<p>Work Related Learning</p> <p>Pupils will be allocated a range of experiences including days at Hawbush, Ninevah farm, forest school, maintenance and hospitality.</p> <p>Our young people will have individual timetables indicating what they will be doing – please help by sending in any necessary packed lunches and appropriate clothing.</p>	<p>Science</p> <p>This terms topic is 'materials'. We will be exploring different materials and vocabulary related. We will be experiencing a variety material and investigating the differences in them.</p>	<p>Art and Design</p> <p>In Art this term we will be looking at developing our fine motor skills and confidence in printing. We will specifically be looking into animal prints, using our five senses and recreating them through print.</p>
	<p>PE</p> <p>This terms topic in PE is 'cricket'. We will be looking into the sounds related to cricket, the feel of the equipment needed and having a go at developing our gross motor skills to hold a bat and hit a ball.</p>	<p>Creative Arts</p> <p>For these sessions pupils will be in different groups when they will be joining in with Art, Rebound and games, Dance, or Enterprise. Our young people have allocated sessions that change each half term and will be on their individual timetables.</p>
