

In line with School's Financial Value Standards, and in order to improve financial transparency, we are now required to publish salary information on our website if staff have a salary of above £100,000

The number of employees whose gross* salary exceeded £100,000, as at 31 August 2024

Employee Benefits	Number of Employees
£120,000 to £130,000	1

Please note:

**Figures for this purpose include everything that would appear on an employee's salary statement, but not employer on-costs such as the employer's pension contributions.*
