

<p>English</p> <p>This half term our focus text will be 'Oak, the Little Leaf Girl' by Lucy Flemming. We will be learning about how change can be scary as the Little Leaf Girl moves house however, lots of exciting adventures happen along the way. We look forward to having a tea party in class with our friends.</p>	<p>Maths</p> <p>In Maths this half term we will be using our fine and gross motor skills along with visual and sensory skills to explore object of varying size as we learn about big and small. We will also be exploring capacity using different size boxes and using our early number skills to develop our understanding.</p>	<p>Knowledge and Understanding of the World</p> <p>we will be. We will be exploring seasons, weather and change of this half term. We look forward to spending some time outside as we observe the changes in our school environment; we hope to look out for minibeasts during this time also!. Materials will be explored as we experience the sensory elements of different materials using key vocabulary such as soft and rough.</p>
<p>Physio and PE</p> <p>All pupils with a Physio programme will continue to follow these each week.</p> <p>Rebound sessions will take place throughout the week and we will be spending time in the sports hall exploring a range of equipment linked to Badminton.</p>	<p>Curriculum Newsletter</p> <p>Spring Term 2025 First Half</p> <p>Holistic – P14</p> 	<p>PSHE, RE and Living Skills</p> <p>outside as we This term we will be thinking about all the things we enjoy about our world. We will be thinking about things and people that are important to us and make us feel happy. Alongside this we will explore feelings with the help of 'Inside Out' characters including worry, lonely and sadness. We will develop our independence in living skills throughout daily activities.</p>
<p>Sensory Art</p> <p>We look forward to exploring our natural environment and learning about collage. We will be looking at colours as trees change over seasons and use natural materials to create collages.</p>	<p>Music</p> <p>During music this half term we will be making links to other areas of the curriculum as we explore the sounds of the seasons, weather and nature through loud and quiet representations.</p>	<p>Horticulture and Forest School</p> <p>This half term we look forward to making shelters in class and in our forest school area. We will also be making shelters for wildlife building bird boxes and expanding our sensory garden.</p>
