

<p><b>English</b></p> <p>Our Little Wandle phonics lessons will be delivered across 4 days a week this half term and your child will continue to develop their understanding of letters and sounds. This half term our focus texts are 'The Invisible' by Tom Percival and 'Discuss and share dinosaurs' by Deborah Chancellor Daises. Please see our reading newsletter for information about our Author of the Month.</p>	<p><b>Maths</b></p> <p>In Maths this half term we are focusing on the fundamental skills of Number through Addition and Subtraction. We will be engaging with a range of number activities to develop our current knowledge and skills.</p>	<p><b>Science</b></p> <p>In Science, we are going to be focussing on 'Electricity'. We will learn that common appliances run on electricity and understand how to stay safe around electricity. We will create our own circuits and learn that a switch will break a circuit and turn electricity off. We will learn that batteries store electricity and how to charge objects with electricity.</p>	
<p><b>PE</b></p> <p>In PE we will be developing our skills in Badminton and Dance. In Dance, we will be looking at various dance routines from different musicals. We will choose our favourites and then practise the different movements to create our performance. In Badminton, we will be developing our badminton skills focussing on cross body co-ordination and body awareness, before playing some matches.</p>	<p><b>Curriculum Newsletter</b>  <b>Spring Term 2025 First Half</b>  <b>Yellow Class</b></p> 		
<p><b>Geography</b></p> <p>In Geography, we are going to be focussing on 'Europe'. We will learn about the different countries in Europe. We will learn about the key landmarks in the countries, the language they speak, the food they eat and their countries flag. We will also be looking at travel to and from countries including France, Finland, Italy and the Netherlands.</p>	<p><b>Horticulture</b></p> <p>This half term we be focussing on 'Cuttings and Seeds'. We will learn about the life cycle of the plant and that seeds and cuttings can be nurtured to make new plants.</p>	<p><b>Art and Design</b></p> <p>Textiles is our focus in Art &amp; Design this half term. We will learn all about the artist Anne Kelly.</p> <p>We will learn that textured collage can be created with a range of materials. We will understand that materials can be stuck with different types of glue. We will explore different ranges of textiles that have different textures.</p>	<p><b>Food Technology</b></p> <p>In Food Technology, our topic is 'Recipes around the World'. We will develop our basic hygiene skills and routines. We will learn about and cook foods from different countries including pizza, chilli, stir fry, chickpeas, and quesadillas.</p>
<p><b>Computing</b></p> <p>In Computing, we are going to be focussing on 'Digital Music'. We will learn that there are patterns in music and there are sequences of notes. We will understand that music is created and played by humans and have a go at making our own digital music.</p>	<p><b>Music</b></p> <p>This half term we are focussing on 'Introducing Instruments' in Music. We will have the opportunity to explore a range of instruments and their sounds using the Charanga programme.</p>	<p><b>RE and PSHE</b></p> <p>In PSHE, we will be focussing on 'Changing Bodies'. We will learn about the stages that humans move through as they grow up and understand that their bodies will change whilst they are teenagers.</p> <p>In RE, we will be focussing on 'Who was Jesus'. We will focus on this during our RE focus day.</p>
