

<p><b>English</b></p> <p>Our Little Wandle phonics lessons will continue 4 days a week this half term and your child will continue to develop their understanding of sounds and letters.</p> <p>This half term we are reading "The True Story of The Three Little Pigs" by Jon Scieszka.</p> <p>Please see our reading newsletter for information about our Author of the Month.</p>	<p><b>Maths</b></p> <p>In maths this half term we are focusing on the skills of Spatial Reasoning. We will be engaging with a range of resources to manipulate and explore as we learn.</p>	<p><b>Science</b></p> <p>In Science, we are going to be building on our knowledge that bulbs and seeds are designed to move and how they are dispersed by animals, and through air and water. We will be engaging in a range of investigations and experiments to support our learning.</p>		
<p><b>Humanities - Geography &amp; History</b></p> <p>We will be focussing on 'Capable coal' as our topic for this assessment window. We will learn how coal was used in the past; pupils will build on prior knowledge of how mining was done. We will also learn about how coal is used today.</p>	<p><b>Curriculum Newsletter</b></p> <p><b>Autumn Term 2025 Assessment Window I</b></p> <p><b>Yellow Class</b></p> 			
<p><b>RE</b></p> <p>During our RE day in contextualised learning week, we will be learning about Identifying and Belonging by exploring habits, customs, ways of living and different communities.</p>	<p><b>Art and Design</b></p> <p>We are exploring fabric and textures. Compare how different textures can affect our feelings when we touch them. We will work towards creating a sensory fabric cushion or blanket, finally evaluating our design.</p>	<p><b>PE</b></p> <p>We will be learning different elements in our Gymnastics topic as we explore shapes, balance, travel, jumping and different types of rolls.</p>		
<p><b>PSHE</b></p> <p>During our computing lessons we will be learning all about online safety and the Pens Meadow e-safety rules of STOP</p> <p>S-safe T-trust O-only P-private</p> <p>This enables us to identify ways to stay safe online.</p>	<p><b>Forest School</b></p> <p>Our forest school sessions will take place on a Tuesday morning and Post 16 site. Please send in waterproofs, and extra set of clothes and wellies – all named.</p> <p>We will be focusing on 'Hidden Art' as our topic.</p> <p><b>Swimming</b></p> <p>Yellow class are looking forward to swimming on a Friday morning – please make sure swimming kits and towels are sent in each week – all named.</p>		<p><b>Community Engagement</b></p> <p>This term we are linking out community engagement visits to curriculum topics in Humanities.</p> <p>We will also be visiting the local library.</p>	
<p><b>Computing</b></p> <p>In Computing we will be learning about Digital Music and Editing Music. We will explore how music makes us feel, create rhythmic patterns and experiment with sound using a computer. Finally, we will create our own piece of music.</p>	<p><b>Music</b></p> <p>In music we will learning that the pulse is the steady beat of the music. The pitch is how high or low the sound is and listen to different types of music with different styles. We look forward to exploring a range of instruments to create sounds and music in our lessons.</p>	<p><b>Horticulture</b></p> <p>Our Horticulture lessons link closely to our Science topic as we learn about the ideal conditions for growth. We will be potting and planting whilst reading the text 'The Tiny Seed' by Eric Carle.</p>
